**NEWS,
Estancia, N. M.**

Entered as second-class matter January 4, 1907, in the post-office at Estancia, N. M., under the Act of Congress of March 3, 1879.

Last week we were surprised to see that both the Albuquerque Dailies had used our interview with Prof. Tinsley, while he was passing through the valley, as their very own, but we were simply dumbfounded when we received the Willard Record and the Torrance County Leader of last week, each containing what they claimed to be "Prof. Tinsley's report"—nothing more nor less than our interview with that gentleman! This is the first time we have ever been accused of writing official reports, and we hasten to deny the charge, not wishing to court the displeasure of some of our contemporaries. We have always contended that the News was authority on matters pertaining to Torrance County and the Estancia Valley, but this is the first time we have been able to get our competitors to see it in that light, and it is indeed gratifying to us to know that they have at last given us the credit due us.

A Creed

I believe that happiness is not a matter of dollars, not a condition of society, but a condition of mind. You can be happy if you will.

I believe that success is a matter of inspiration and enthusiasm. Without these there can be no success.

I believe in the common people. They are more honest, more faithful, more true. There are so many people now trying to be intellectual giants that the simplicity and naturalness of the unlearned is restful.

I believe in the out of doors. It rests and fortifies me to withstand the fool's life in the city, where men labor in the fever and dirt.

I believe in the great teachers—but the greatest of all teachers is our mother: Her truths have remained immutable, her words of wisdom—unimpeachable still.

I believe in my fellowmen—not absolutely, not promiscuously, but to that degree in which I should expect them to believe in me.

I believe in cheerfulness. It puts emphasis on a man's stomach rather than wrinkles in his brow. I prefer the surcingle class for mine.

I believe in some women—sometimes—and I would suggest that women believe in men likewise. Men, women and apples are not all perfect. Some must have specks and yellow streaks.

I believe in making all the money I can and canning a part of it. The rest I believe in spending for the titillation of my gratification and in the payment of my wife's liberal millinery bills. I cannot travel this life's road again and I want to see some of the sideshows as I go along. At the same time I do not want to forget that some of the best shows may be away up at the end of the road.

I believe in bulldogs and whist, a fireplace and a book (if I may select it) and enough nights in society to keep my wife from hating home.

There are a lot more things in which I believe, but I believe this should suffice for one declaration of principles. —Byron Williams, in Western Publisher.

We have been asked to announce to all "Square and Compass" men that the local lodge will put on work in the third degree tomorrow (Saturday) night, at which all are urged to attend.

**The Brooks
Cold Tire Setter**

The Brooks Cold Tire Settler compreses the metal cold. No burnt or charred felloe surfaces to wear away, but a hard wood surface instead; no steam and water-soaked felloes to shrink away and loosen the tire; no burnt paint to replace. It gives just the amount of dish required. No overfishing, no guess work about it. Call on J. W. Wagner, the blacksmith and see the machine work.

TAILOR SHOP

Now Ready for Business Again

I have been away for five months and the Tailor Shop has been closed, but I am now ready to do any kind of Tailoring, Altering, Measuring,

Hat Cleaning and Blocking

Ladies' Skirts a Specialty

I am located at the old stand in my new building. Bring your work and get it done right. Everyone who has ever had me do any work for him, knows that he has been well pleased.

I have been representing as good a woolen house as there is in the country and in the past six seasons I have taken measures for quite a number of suits and all have given perfect satisfaction. So remember when you want any kind of a suit, Ladies or Gents, come and see my line of woollens first. Why? I cater only to the tailoring business of the town, where the other houses have a hundred other things to bother with and naturally can't give you the attention that I do. I have on display in my shop over a hundred yard-length woollens. Come and see them at as early a date as possible.

No matter how dirty your clothes are, remember I can make them look like new ones.

Yours for business

Joe W. Pettus
